A SAFE GUIDE TO THE TREE

BILOXI LIGHTHOUSE

BILOXI NURSERY

JAMES BRODIE & SONS

BILOXI, MISSISSIPPI

*A list of trees and plants grown here for the beautification
of homes and gardens hereabouts*

Fall 1925

Spring 1926

BILOXI NURSERY

JAMES BRODIE & SONS, Proprietors

BILOXI, MISSISSIPPI

BILOXI NURSERY has been in operation for thirty years, and the present owner has been in charge of the property for a similar period.

Past experience and the continued patronage of old friends who have added to my list of patrons, gives the all important support, encouragement and confidence, on which the present list is issued. I do not employ agents.

In thanking my friends for their support, I can assure them the stock now ready for shipment is of equal quality to any I have grown, and furthers the confidence and pleasure I take in supplying the best possible material.

I exercise great care to keep varieties true to name and will replace free or refund the purchase price of any that may prove otherwise, but I am not liable for other damages.

I do not guarantee trees or plants to live. I handle them with the utmost care, pack properly and deliver to the carrier in good order. My responsibility then ceases. The risk and cost of transportation is yours.

TERMS: Cash.

SHIPPING: Precise instructions solicited. We recommend express for all shipments.

FOR PARCEL POST: Add 25 per cent of cost for packing and postage.

CERTIFICATE OF INSPECTION will be attached to every package.

REFERENCE: FIRST NATIONAL BANK or any business house in Biloxi.

Member American Association of Nurserymen and Southern Nurserymen's Association, and Rose Growers Association.

PECANS

Stuart, Success, Schley, Pabst and Van Deman. All these varieties are of special merit.

On the coast the pecan comes to its greatest perfection as a "Yard" tree. This shows it requires a well fertilized soil. Trees should be planted 50 feet apart.

	Each	Per 100
2 to 3 feet-----	\$.65	\$75.00
3 to 4 feet-----	.85	80.00
4 to 5 feet-----	1.25	100.00
5 to 6 feet-----	1.50	125.00
6 to 8 feet-----	2.00	-----
8 to 10 feet-----	2.50	-----

PECAN CIONS

Cions of pecan wood for grafting, averaging 6 inches—\$2.00 per 100.

Pecan Nuts, Success, Stuart, 50 cents per pound.

ORANGE

Under the provisions of the Mississippi Plant Act, Rule 30, "All nursery stock, except those plants that will not stand defoliation, shall be completely defoliated, including leaf-stalks. Citrus must always be defoliated." Nurserymen and purchasers must be governed by this ruling.

All citrus will be pruned to such height as will secure the best results in transplanting.

SATSUMA

Owari	Each	Per 100
18 to 24 inches-----	\$.40	\$35.00
2 to 3 feet-----	.55	50.00
